
Civil Certification

Posted by dmaddoc - 2007/12/11 17:19

Is there a classification to be certified in the civil discipline...our department has 5 drafters that would like to join and be able to at some point be certified in the civil discipline.

thanks

Hi,
Please let me know what is Civil Certification exactly mean. In fact, this is the first time I came across with this kind of stuff. Please keep updating me on thins.

I see that this question is over a year old? That would appear that there is no civil cert. or is this board is not moderated?
