Inventor - Sketchup - National CAD Standards - Architectural Presentations
Digital Photography in Design - Adobe Acrobat the New Design Standard

Awards Luncheon Keynote Speaker

Edward Price, PhD - 47 Year ADDA Member

Looking Back To the Future

Dr. Price will be speaking for the second year as longest continuous member of ADDA. His projects as a Civil Engineer and Professional Designer span over five decades. Many of his projects have impacted the world, from the Nobel Medal won for wastewater Management for the Island of Malta to the worlds largest water detention structure implemented and servicing the City of Chicago Illinois. He is a true master of design and innovation.

Vendors - Exhibitors - Networking

During the four day conference you will have the opportunity to see some of the latest technology. Vendors and Exhibitors from across the country will be demonstrating their product.

Attendees will have the opportunity to network and visit with all the speakers during this time. Each will make themselves available for questions, answers and general career information.
